**EHF EUROPEAN CUP MEN 2020/21**

**FINAL: AEK ATHENS HC vs YSTADS IF**

# MEDIA INFORMATION

Welcome to the final of the EHF European Cup Men 2020/21! The double-header between AEK Athens HC from Greece and Ystads IF from Sweden on 28 and 30 May 2021 concludes the inaugural season of this revamped competition.

The 28th season of European club competitions under the EHF umbrella has seen a new era starting in 2020/21, as the long-term partnership with Infront and DAZN came into effect. The EHF European Cup replaced the Challenge Cup as the third-tier continental club competition, with a new competition identity and a knockout system throughout the season, culminating in this two-leg final. After the two legs had to be postponed on their initial playing dates of 15 and 22 May, the final will now be carried out as a double-header with both matches being played in Greece.

In the following media information you will find essential facts about the two teams striving to become the first EHF European Cup Men champions. Additional information can be found on the [eurohandball.com](http://eurohandball.com) website.

For further information or assistance, please do not hesitate to contact the EHF Media and Communications Department and we will be happy to help you.

[EC Regulations](#)

# IMPORTANT REGULATIONS

If, after completion of the two matches, both clubs have won the same number of points (no extra time will be played), the teams' standings shall be determined by the following criteria:

- a) goal difference
- b) higher number of plus goals scored in away match
- c) penalty throws

## **Rules for execution of penalty throws**

- Only players (incl. goalkeepers) who are listed on the match report and are not suspended or disqualified at the end of the playing time are entitled to participate at the penalty throws.
- Prior to the penalty throws, each team shall name five players by handing the referees a list of numbers. These players shall then take one throw each until a decision (a winner) is reached, alternating with their opponents. Each team is free to determine the sequence in which throwers will take their throws.
- The goalkeepers may be freely selected from the match report and exchanged in accordance with the Rules of the Game. Goalkeepers may take throws and throwers may perform as goalkeepers.

- The referees shall choose the goal at which throws are taken. The team taking the first penalty throw shall be determined by the referees by drawing lots. The team winning the draw may choose whether it wishes to throw first or last.
- If the scores are equal after the first round of penalty throws, it shall be continued until a decision is reached. In the second round, the other team shall start. Again, five players shall be named who are eligible to play (the players named before may be named once again).
- In the second round, a decision (a winner) is reached when a goal difference arises after both teams have taken one throw each.
- Serious infractions committed during penalty throws shall be sanctioned by disqualification. If a thrower is disqualified or suffers an injury, an eligible substitute player shall be supplementary named.
- While the throws are being taken, only the player taking the throw, the current goalkeeper and the referees may enter the respective half of the playing court.
- If the number of eligible players falls below five, players may be named to take a second throw in the same round.

## FINAL PREVIEW

- AEK Athens HC are appearing in their second European final, three years after losing to AHC Potaissa Turda of Romania in the final of the Challenge Cup 2017/18.
- Ystads IF, who are playing in their first European season since 2015/16, have not reached the final of an EHF club competition before.
- AEK can become the second team from Greece to win a European club competition, after AC Diomidis Argous triumphed in the Challenge Cup 2011/12.
- On their way to the final, AEK eliminated KH Prishtina, CSM Bucuresti, HC Neva SPb and RK Gorenje Velenje, winning six of their eight matches.
- In the semi-final against Velenje, AEK won 31:29 at home but trailed 27:20 midway through the second half in Slovenia before a strong finish saw them draw level and advance to the final.
- Ystad won seven of their eight matches in the competition so far, losing only to Sabbianco Anorthosis Famagusta in the first leg of the semi-final (26:24).
- The following week, Ystad defeated the team from Cyprus 26:22 at home.
- For both teams, the leading scorer has netted 33 times so far: Dimitrios Tziras for AEK and Jakob Nygren for Ystad.
- While AEK's squad includes players from seven different nationalities, Ystad's roster is almost entirely Swedish - with left back Lasse Balstad (NOR) and line player Knud Larsen (DEN) the only exceptions.
